GIS als duurzaam baanbeheertool

A blurred background image of a golfer on a green. In the foreground, a golf putter is visible, positioned on the grass. The golfer is in the distance, wearing a dark shirt and light shorts, with a red flag visible behind them. The grass is a vibrant green, and the background shows a line of trees under a clear sky.

The image is a vibrant space-themed background. In the foreground, a large, spherical object with a mottled, orange-brown surface, resembling a planet or a large asteroid, is positioned slightly to the right of the center. Behind it and to the left, a bright, glowing nebula or star-forming region is visible, characterized by swirling patterns of orange, yellow, and white light. The overall color palette is dominated by warm tones of orange, red, and yellow, creating a sense of intense heat and cosmic energy.

'EN GAAT U ZELF OOK NOG WAT DOEN?'

Eigenlijk zou iedereen het bij de analyse moeten gebruiken!
